# Leaving on a jet plane? What your favourite Christmas song says about your perfect festive getaway...

The "Let It Snow! Let It Snow! Let It Snow!" person...

Do you excitedly rush to the window on 25<sup>th</sup> December in hope of snow? Current odds on a British white Christmas are set at 6-1 - so why not back a safer bet?

Salzburg is just a two-hour flight away and ideally located for the perfect

snowy Christmas Day selfie. The picturesque UNESCO listed city hosts one of the world's oldest Christmas markets and is at the foot of the snow capped Austrian mountains.

 Norwegian operates flights from London Gatwick to Salzburg with fares from £29.90 per person. For more information about Salzburg at Christmas visit: <u>Austria.info</u>

# The "I wish it could be Christmas everyday" person:

If your Christmas tree is up straight after Halloween, you instigate the office secret Santa and have more festive jumpers than Gap – then you definitely need to take Christmas up a notch this year.

Jump on a plane to California where Disneyland celebrates Christmas Day everyday for a month! Throughout December the park's top attractions are turned into winter wonderlands complete with parades and firework displays.

• Norwegian offer up to three flights per week to Los Angeles from £199 per person. For more information about Christmas at Disney visit: <u>Go California</u>

## The "Rockin around the Christmas Tree" person...

If Christmas means office parties, dance routines, and afternoon tipples then Puerto Rico is the only place to be. In fact Puerto Ricans love Christmas so much they've extended it, with sun soaked festivities running from thanksgiving through to mid January. The party culminates in San Juan with the famous outdoor festival of San Sebastian (16<sup>th</sup>- 17<sup>th</sup> January).

• Norwegian offer flights from London Gatwick to San Juan from £179 one way. For more information about what to do and where to stay visit <u>Seepuertorico.com</u>

### The "Do they know its Christmas time" person...

Bah Humbug! All this enforced festivity isn't for everyone. So if all you want to do is escape the tinsel, turkey and Christmas family tantrums then how about hibernating your way through it? The Salsa Silver Mine is the world's deepest hotel located over 500ft below Sweden in a msytical maze of tunnels, and underground lakes.

• Norwegian offer flights from London Gatwick to Stockholm from £39 one way. For more information about stays at the Silver Mine visit: <a href="http://www.salasilvergruva.se">www.salasilvergruva.se</a>

#### **About Norwegian**

The Norwegian group is a leading Nordic aviation company, headquartered at Fornebu outside Oslo, Norway. The company has over 8,200 employees and owns two of the prominent airlines in the Nordics: Norwegian Air Shuttle and Widerøe's Flyveselskap. Widerøe was acquired by Norwegian in 2024, aiming to facilitate seamless air travel across the two airline's networks.

Norwegian Air Shuttle, the largest Norwegian airline with around 4,700 employees, operates an extensive route network connecting Nordic countries to key European destinations. In 2024, Norwegian carried 22,6 million passengers and maintained a fleet of 86 Boeing 737-800 and 737 MAX 8 aircraft.

Widerøe's Flyveselskap, Norway's oldest airline, is Scandinavia's largest regional carrier. The airline has more than 3,500 employees. Mainly operating the short-runway airports in rural Norway, Widerøe operates several state contract routes (PSO routes) in addition to its own commercial network. In 2024, the airline had 3.8 million passengers and a fleet of 49 aircraft, including 46 Bombardier Dash 8's and three Embraer E190-E2's. Widerøe Ground Handling provides ground handling services at 41 Norwegian airports.

The Norwegian group has sustainability as a key priority and has committed to significantly reducing carbon emissions from its operations. Among numerous initiatives, the most noteworthy is the investment in production and use of fossil-free aviation fuel (SAF). Norwegian strives to become the sustainable choice for its passengers, actively contributing to the transformation of the aviation industry.
