Another bite of the Big Apple thanks to Norwegian

- **Norwegian announces additional daily frequency between London Gatwick and New York JFK due to passenger demand**
- **Airline now offers 40 flights a week between the two cities from 28th October 2018**
- **All flights operated by the latest Boeing 787 Dreamliner aircraft offering Premium and economy cabins**

Norwegian is pleased to announce that from 28th October 2018 the airline will add an additional frequency between London Gatwick and New York JFK. Due to passenger demand the extra daily frequency will add up to 392 premium seats and 1,974 economy seats a week to this popular destination. Prices start from **£155** one way in economy and **£455** one way in Premium and are available to book today at www.norwegian.com/uk

Whether travelling for business or leisure our Premium passengers travelling to New York JFK can enjoy an enhanced service and extra comfort at greater value when flying long-haul. Premium passengers can check in two 20kg bags, benefit from fast track security, relax in the No1 lounge and have priority boarding. Premium passengers are welcomed on board with complementary soft drinks, enjoy a spacious leather reclining seats with over a metre of legroom with a Premium meal service and unlimited beverages.

Norwegian is now the second largest long-haul airline at Gatwick with 13 direct long-haul destinations. The airline serves a total of 11 routes to the US and recently added Chicago and Austin to its' expanding network.

Thomas Ramdahl, Chief Commercial Officer at Norwegian said: *"New York remains one of the most popular routes for Norwegian customers and we are*

delighted to be able to offer an additional frequency between London Gatwick and JFK Airport which will provide even further choice and flexibility combined with great value.

Our modern fleet of aircraft allow our customers, whether travelling for work or leisure, to enjoy their trip from the moment they step on board thanks to our award-winning state of the art entertainment system, comfortable and spacious cabin and attentive cabin crew.”

The new flights provide extra flexibility and convenient schedules allowing passengers to choose a departure and arrival time that suits their requirements. Flight DI7017 departs from London Gatwick at 09.50 and lands at New York JFK at 13.00. Flight DI7018 departs New York JFK at 19.40 and lands at London Gatwick at 07.10 the following day.

Combined with the early morning departure from Gatwick business travellers can attend all-important meetings throughout the day and depart the same evening. Holidaymakers can also make the most of their trip by arriving in the Big Apple bright and early to instantly enjoy the energy and excitement of New York City.

ENDS
