The third episode of Norwegian - On Air is now available

Do you want to learn more about how new route opportunities are assessed in Norwegian? Or maybe gain some insight about traffic rights? In the third episode of the podcast series Norwegian – On Air we speak to Vice President of Network Strategy Matthew Wood. The podcast can be accessed through various podcasts apps or you can listen to it here: <https://soundcloud.com/norwegianonair/episode-3-vp-network-strategy-matthew-wood>

About Norwegian:

Norwegian is a listed company on the Oslo Stock Exchange and is the world's sixth largest low-cost airline operating 450 routes to 140 destinations in Europe, the U.S. and Asia. In 2016, Norwegian carried almost 30 million passengers. Norwegian has almost 6,000 employees and a modern, environmentally friendly fleet of more than 120 aircraft with an average age of 3.6 years. The airline was voted Europe's best low-cost carrier of the year for the fifth year running and World's best low-cost long-haul airline by the renowned SkyTrax World Airline Awards for the third consecutive year.
